Lytal Tells Why Jet Port Stymied

It appeared likely this week that renewed efforts will be forthcoming for re-location of Palm Beach International Airport and the airport at Lantana.

Commissioner Lake Lytal who told members of the county board this week, that the stalemated airport project was a disappointment, won approval of the commission for his stand on the airport, which he described in a prepared statement read into the minutes of the meeting.

Text of Lytal's statement follows:

"As we end the year 1960, I would like to mention for the record, one of my disappointments of the past year as a County Commissioner. I am bringing it up at this time because of the many tragedies that have happened in populated areas located near airports in recent weeks.

"The Board of County Commissioners were working on a very feasible plan for the relocation of Palm Beach International Airport in order to eliminate the hazard and discomfort to the residents within a radius of three to four miles of the airport. The Board deemed it necessary to abandon its plans for the relocation of this airport because of the opposition of the Palm Beach County Aviation Association, a few individuals but

Airport Water Is Assured By City

In its final regular session of the year Tuesday, the County Commission approved an agreement for a water supply for the Glades Airport at Pahokee. The agreement was worked out between Chairman Paul Rardin of the county commission and Pahokee city officials.

According to the terms of the agreement, the county will purchase the required pipeline for the system at an estimated cost of \$6,500. The City of Pahokee will install the lines and repay the county for cost of the material at the rate of \$1,000 a year.

The water supply will serve a new hangar being constructed at the Glades Airport.

Hospital Decorations Draw Attention

Everglades Memorial Hospital Administrator Luke Dufrene was lavish in his praise for the beautiful Christmas tree and other decorations at the hospital which were arranged by the nurses who are employed by the hospital. "It just couldn't have been nicer," Mr. Dufrene said when commenting on the Holiday arrangements. Each room door also had a beautiful decoration, lending the Yuletide spirit to each and every nook of the popular institution.

PTA MEETING JANUARY

The Canal Point Parent-Teacher Association will meet a week later than usual this month on the second Monday night, Jan. 9, inasmuch as the first Monday is a holiday.

Watch Night Program By Local Methodist

A watch night program will be held at the Canal Point Methodist Church Saturday night under the sponsorship of the Methodist Youth Fellowship. There will be a worship service and song fest for the youth of the church from 8 to 10 p. m. A motion picture, depicting the life of Charles Wesley, brother of John Wesley, founder of Methodism, will be shown from 10 p. m. until shortly before midnight. Communion will be observed at the midnight hour. All members of the church are invited to see the motion picture and participate in the communion service as the New Year is ushered in.

Safety Group For Everglades Area

An Everglades Safety Committee has been organized to help prevent accidents in the Glades area, especially in agricultural activities.

Representatives of various civic organizations that form the committee are A. R. Harrington and P. A. Slonaker, Canal Point Lions Club; N. R. Norman, Pahokee Chapter, Future Farmers of America; Miss Janette Harrington, County 4-H Clubs; Edmund Thomas, Lake Okechobee Farmers Cooperative; James W. Vann, Pahokee Lions Club.

Luke Dufrene, Everglades Memorial Hospital; Mrs. Doris Sasser, Pahokee Chamber of Commerce, and W. E. Erickson, Pahokee BPOE Lodge 1638. Others interested in assisting in the ESC safety programs are invited to attend the next committee meeting in the Glades Office Building at 8 p. m., Jan. 12.

Hoover Dike Will Be Dedicated Jan. 12

CLEWISTON—A special delegate has been named to represent president-elect John F. Kennedy at the Herbert Hoover Dike dedication at Lake Okechobee Jan. 12, it was announced today (Tuesday).

In releasing the official program, the arrangements committee said Sen. George A. Smathers (D-Fla.) would bring a special message to the ceremony from Kennedy.

U. S. Treasurer Ivy Baker Priest has informed the group she would attend, and Vice President Richard M. Nixon also may be on hand. Meanwhile, H. Loy Anderson, in charge of arrangements, called a meeting in West Palm Beach Wednesday to iron out final details of the event. Plans are being made to accommodate the thousands of persons expected to attend the dedication and special facilities are being installed for news media personnel covering the occasion.

Gen. E. C. Itchner of Washington, Chief of the U. S. Army Corps of Engineers and a representative of either the Department of Army or Defense will be in charge of the unveiling of a monument memorializing the Hoover Dike.

Other dignitaries taking active part in the ceremony will be Sen. (continued on page 8)

Evening School At Belle Glade High

The Palm Beach County Vocational School, in cooperation with Pella Morris, Principal of Belle Glade High School, is planning to offer evening instruction in Beginning Typing; Beginning and Advanced Bookkeeping, according to Kenneth M. Johnson, Director of Vocational Education for the county.

An organizational meeting will be held at Belle Glade High School at 7:30 Tuesday evening, January 10. All registrations will be taken and class schedules will be established at this meeting.

These classes will meet two nights a week from 7:30 to 10:00. The evenings will be established at the organizational meeting. There is no tuition fee; however, there is a small registration fee and students must furnish their own supplies.

This instruction is part of the School Board's Vocational Education Program and is for adults 16 years of age or over who are not regularly enrolled in high school. The classes are tentative to a minimum enrollment of fifteen persons.

Persons interested in this instruction are requested to register at the Belle Glade High School at 7:30 Tuesday evening, January 10.

Winners Named In Lighting Contest

Winners of the Girl Scout Christmas decorations contest, sponsored by the Xi Alpha Mu Chapter, Beta Sigma Phi Sorority, were Troop 38, Mrs. E. C. Johnson, leader, first prize (\$6); Troop 30, Mrs. Joe Hatton, Jr., Mrs. E. G. Griffis and Mrs. Don Collier, leaders, second (\$5); Troop 247, Mrs. J. T. Boynton, leader, third (\$4); Troop 195, Mrs. Calvin Spooner and Mrs. Billy Sheffield, leaders, fourth (\$3).

Honorable mention and consolation prizes of \$1 each were received by Troop 128, Troop 164 and the newly organized Brownie Troop composed of second grade girls from the Pahokee elementary school.

Mr. and Mrs. John E. Wilson have as a guest her father, C. A. King, of Normal, Ill.

Faculty Members Hold Annual Party

Faculty members of the Pahokee Elementary and High School held their annual Christmas party in the school cafeteria, with Mrs. Tommie Lee DuBose and Mrs. Phara Morris and their committees in charge of arrangements. Gifts were presented to the school principals and secretaries, Brooks Henderson, Herman Austin, Kyle Scott, Mrs. Ila Mae Lampi and Mrs. Ruth Zimmerman. Robert O. Lampi led the group in the singing of carols.

Free Chest X-Rays Coming For Glades

From January 3 through January 18, free chest x-rays will be available to all migrant workers in the Everglades area of the county, according to Dr. Lyle D. Franzen of the Palm Beach County Health Department, who is in charge of the project.

"Tuberculosis remains a serious public health problem in this area. We believe that by concentrating on the migrant group at the height of the farming season, we shall uncover quite a number of unsuspected tuberculosis cases, hopefully in the early stages when it is easiest to cure," Dr. Franzen said.

"The mobility of the migrant workers, combined with poor housing, crowded living conditions, inadequate nutrition and exposure to the weather, make them a prime target for this infectious disease."

The County Medical Society and the County Health Department appreciate the invaluable assistance, financial and staff time, given by the Palm Beach County Tuberculosis & Health Association out of Christmas Seal funds, to this important project," Dr. Franzen continued.

"The State Board of Health mobile unit has been used to excellent advantage by the County Health Department and the Tuberculosis Association during 1960, mostly with permanent residents. Of the over 26,000 x-rays taken, 292 were found to be suspicious of TB. 230 of these were checked further resulting in twelve new local persons being found and hospitalized for TB and 18 out of county and state people referred to their respective Health Department. 13 remain suspicious and will receive further tests."

Rardin Is Praised For Excellent Work

Commendation for two retiring board members and for the outgoing chairman of the board, were adopted by the County Commission this week.

In a resolution of commendation for Paul Rardin, who has served as chairman for the past year, the commission noted that the "service rendered by Chairman Rardin greatly assisted the board in processing and administering its affairs, and the great amount of unselfish time and effort expended by Rardin should be recognized and given public note."

Commissioner. Rardin, Canal Point, is rounding out his third term as chairman and will begin a new four-year term on the board next month, having been re-elected without opposition.

A resolution commending Commissioner Kenneth Foster who leaves the commission in January after serving since 1949, noted that he had been instrumental in the development of county zoning and building codes and his leadership in the development of the airport had been outstanding as had his work in seeking new industry for the county.

Commissioner Roy Michael, Lake Worth, a member of the commission since 1953, was commended for his unestimated time and valuable service which brought about county wide zoning, new building codes, personnel classification, advancement of a beach erosion program and other contributions to the growth and development of the County. Michael is a past chairman of the commission.

Prominent Folks Called By Death, Praised By Board

The death of two widely known Palm Beach County residents were noted by the County Commission this week in resolutions of memorial adopted by the board.

One resolution was an expression of sympathy in the death of Frank J. Lewis, who died December 21. He was described in the resolution as an outstanding developer of the county—a man who had done much to promote sound economic residential and industrial growth in the county.

A second resolution was adopted in the death of Karl J. Easton, veteran newspaper publisher of Lake Worth who passed away on Christmas Day after a sudden illness.

The Memorium to the late publisher of the Lake Worth Herald noted his outstanding record as a civic leader and community worker.

NEW YEAR'S DANCE

Pahokee BPOE Lodge 1638 will hold its annual New Year's Eve dance in the social hall of the lodge building, starting Saturday at 10 p. m. and ending Sunday at 2 a. m., with Don Swan and his orchestra of Miami to furnish the music. Following the dance, the LOPES will serve a breakfast of bacon and eggs to the Elks and their invited guests.

Junior Orange Bowl Queen Is Named

CORAL GABLES — The 1960 Junior Orange Bowl Queen was chosen recently from a bevy of 83 winsome contestants.

The winner was Robin Lee Krug, Miami. Miss Krug and the two princesses chosen as runners-up in the contest are all 13 years old. Acting as judges were Byron Nelson, a Coral Gables housewife; John Partin of Southern Bell Telephone Co.; Miss Eleanor Gumbly, Jordan Marsh; and Nancy Brown of Coronet Charm School of Miami.

The new Junior Queen faces an exciting schedule for the days ahead. She will be presented at the Junior Orange Bowl football game, present a plaque to Capt. Eddie Rickenbacker, and preside at Coral Gable's annual Youth Ball. Sandwiched between these events will be radio and television appearances and press interviews.

Florida State Fair February In Tampa

TAMPA — Florida State Fair, a consistent award winner for more than half a century, will open its 56th annual 11-day showing February with three brand new honors.

The International Association of Fairs and Expositions recently elected J. C. Huskisson, Tampa fair manager, its president, and at the same time adjudged the 1960 Tampa show to be the outstanding North American Fair of the Year. Huskisson also received a trophy from American Livestock Journal for producing "a fair man's fair."

The Florida fair will be the nation's first major exposition of 1961, and is expected to attract hundreds of fair officials and showmen from all parts of the country.

Plans Made For New Year's Dance

Plans for a New Year's Eve dance for local teenagers were made by the board of directors of the Pahokee Youth Center at a meeting at the center. The board voted to sponsor a public barbecue next month to raise funds for the Youth Center. James Trelkeld, new recreational director reported regular recreational periods are now scheduled at the center and the attendance of teenagers is increasing.

LT. PICKETT VISITS

Second Lt. Donald Pickett, who is stationed at Fort Rucker, Ala., where he is attending the Army Flight School, is the guest of his mother, Mrs. Edna Pickett, here while on leave from the Army. Mrs. Pickett also had as holiday dinner guests her daughter Miss Bette Pickett of Delray Beach and son and daughter-in-law, Mr. and Mrs. John T. Pickett, Jr., and children.

Mr. and Mrs. Thomas Hignite spent Christmas with their son and daughter-in-law, Mr. and Mrs. Elbert Hignite, in Tampa.

Coral Rock Castle Draws The Tourists

HOMESTEAD — One of the most unusual structures in the nation stands on the outskirts of Homestead, in South Florida. It's a two-story coral rock castle with eight foot walls built by a man for the love of a woman he lost. It utilizes skills that puzzle today's construction engineers.

The love story is fascinating. It began in Latvia where Edward Leedskaia was jilted by his 16-year-old sweetheart. It's obvious he never recovered from this shock, and he devoted some thirty years to memorializing his sad heart in stone.

Today, on a 10-acre tract is a two-story tower house erected by Leedskaia as a residence, building it of 235 tons of coral rock in blocks weighing four to six tons each.

The coral castle's most interesting facet is the engineering skill displayed by Leedskaia's work. He displayed building skills akin to those of the Egyptians, the Mayas and the Incas in erecting an Obelisk of over 28 tons, a telescope pillar of 23 tons and the four rock walls containing 761.25 tons of coral.

Coral Castle is on U. S. Highway 1 south of Miami and near to the Everglades National Park.

Young Harrell Hurt When Car Hits Pole

Electric power in the residential section of Bacom Point Road, Pahokee, was interrupted Monday after a Chevrolet sedan, driven by Cecil Ray Harrell, 21, of Bean City, struck a utility pole in front of the W. R. Wilson residence on SR 715 and snapped the pole in two.

Under the impact the car folded like an accordion. It was necessary for two wreckers to pull it apart from each end before Harrell could be extricated from the wreck. He was taken to the Belle Glade hospital suffering from a fractured left leg and ribs and severe cuts and lacerations on the face, according to Trooper Olin Garrett. Florida Power and Light men worked from 12:15 to 5 a. m. to restore electric service to the area.

Parents Invited To Special Reading

An opportunity to hear the progress a child makes in reading during the first year in public school is being given to parents by Mrs. Edna Maxson, first grade teacher at the Pahokee Elementary School. Mrs. Maxson divided her pupils into four groups and on four successive days invited the parents to visit the school and listen to their children read. Next spring, near the end of the current school year, she will again invite the parents to the school to hear their children read and compare the performance in May with that of December.

Mr. and Mrs. Collie Holt have as a holiday guest their son, Henry Holt, student at the Florida School of Medical Technology, Miami.

CHAPTERS TO MEET

The three chapters of the Beta Sigma Phi Sorority will meet at homes of members Thursday, Jan. 5. The Xi Alpha Mu Chapter will meet at the home of Mrs. W. D. Howard; Xi Beta Tau, at the home of Mrs. Harold Wilkinson, and Beta Omicron, at the home of Mrs. Julian Branch.

Mark Aldridge Has A Birthday Party

Mrs. W. K. Aldridge entertained at the home of Mrs. Arch Blakey with a party honoring her son, Mark, on his fifth birthday anniversary. Mark's kindergarten classmates were guests. The hostess was assisted by Mrs. Blakey.

FEELLOWSHIP CAROLS

The junior high group of the Pahokee Methodist Youth Fellowship toured the community Christmas Eve, caroling. Following the singing, the young people went to the home of Mr. and Mrs. Lolyd Hundley on Bacom Point Road for refreshments. Assisting Mrs. Hundley as hostesses were Mrs. I. M. Lair, Mrs. D. W. Cunningham, Mrs. R. C. Hutton, Mrs. Lester Hutton and Mrs. Hugo Boe.

YOUTH CHOIR SUPPER

Mr. and Mrs. W. E. Blackwell were hosts on Friday evening at a hot dog supper in the Sunday Methodist Church for members of the Youth Choir. Following the supper, the group of 20 boys and girls who were guests went caroling in the Canal Point area.

EXCHANGE OF GIFTS

Following the December meeting of the T. E. L. class of the Canal Point Baptist Sunday School at the home of Mrs. A. F. Scruggs, members enjoyed a Christmas party with an exchange of gifts.

Nuclear Reactor For Gainesville

GAINESVILLE — The University of Florida at Gainesville is getting an additional nuclear core for its training reactor.

Announcement has been made that the order for the \$12,000 set of fuel elements has been placed with The Martin Company's Nuclear Division at Baltimore, a sister division to the firm's Orlando missile-manufacturing operation.

Dr. T. F. Parkinson, reactor supervisor of the University's Nuclear Engineering Department, said that the core of fully-enriched uranium will provide an alternate set of fuel elements for the one now in use there.

He explained that the additional set is needed to carry on a number of experiments currently underway at the university.

JIMMIE VANN SPEAKS

James W. Vann, executive of the Pahokee Housing Authority, was guest speaker at the December meeting of the Miriam Circle, Pahokee WSCS, at the home of Mrs. R. D. Apeigren. His topic was "They Cannot Go Home for Christmas." Mrs. Elsie Sims reported the circle has purchased clothing for the needy and filled Christmas stockings for shut-ins.

NEW CIRCLE MEMBER

Mrs. Marie Hendrix was received as a new member of the newly organized Vena Mae Schroeder Circle, Pahokee WSCS, at the December meeting at the home of the chairman, Mrs. Edith Casto. Members prepared a Christmas basket for the needy. Mrs. Hazel Winch presented the program, "This Is His Birthday."

Freddy Hickerson, student at Admiral Farragut Academy, St. Petersburg, is spending the holidays here with his parents, Mr. and Mrs. F. T. Hickerson.

ROTES HEAR SINGERS

A vocal trio from the Pahokee High School Glee Club, including the Misses Martha Sellers, Sandra Lampi and Sue Brower, with Miss Jan Plummer at the piano, sang carols at the Christmas program of the Pahokee Rotary Club. Miss Lampi and her father, Robert O. Lampi, sang a duet, "O Holy Night." The Rotarians brought to the meeting gifts for distribution to underprivileged children.

PAHOKEE WSCS MEETING

Mrs. G. A. Major, program chairman of the Margery Lair Circle, will present a program, "Recalling Our Heritage." Expanding "Our Horizons," at the January meeting of the Pahokee Methodist Woman's Society of Christian Service in the church Tuesday at 8 p. m. Mrs. Ernest Maxwell, president, will preside at the business session.

SALVATORE VISITORS

Mr. and Mrs. Carmen Salvatore had as guests on Christmas Day their children and families: Mr. and Mrs. Albert Herron, Fort Lauderdale; Mr. and Mrs. Jack Paulette and family, Tampa; Mr. and Mrs. Richard Hodges and family, Belle Glade; Mr. and Mrs. Milton Salvatore and family, and Mrs. Bea Salvatore and family, Pahokee.

Picture of a Promise

Sure, she's a grand old flag!
That's why we salute her.
That's why we pledge allegiance to her.

That pledge, in its simplest terms, is another way of saying, "Count me in. You're my country and I love you and need you. Your problems are my problems, and I'm with you all the way."

Your country's biggest single problem is the perpetual responsibility for keeping the peace its people want. You can help with this problem by remembering this:

Peace costs money. Money for military and industrial strength. Money for science and education. And money saved by individuals — by you — to help keep the economy strong. Bonds provide this money.

New March of Dimes Enlists Millions In Battle to Prevent Crippling Diseases

Beginning Jan. 2 and throughout the month, millions of Americans will enlist in the annual offensive to prevent crippling diseases by joining the 1961 New March of Dimes.

In thousands of communities—crossroads, hamlets, towns, great cities—special ceremonies will mark the start of The National Foundation's campaign for dimes and dollars to combat birth defects, arthritis and polio to pursue research into these and allied medical problems, and to train health workers.

Climaxing the 1961 New March of Dimes will be the Mothers' March, held on the evening of Tuesday, Jan. 31 in most areas, during which more than a million women and other volunteers will make home-to-home calls asking support to help prevent crippling diseases. Participants in the Mothers' March will wear a lapel identification badge and they will leave in every home an educational pamphlet of "Do's and Don'ts" relating to birth defects and expectant mothers, and another dealing with warning signs and symptoms of arthritis.

The goal of the 1961 New March of Dimes, to cover needful expenditures in research, patient aid and professional education, is \$45 millions. As always, a heavy financial burden on The National Foundation and its 3,100 chapters is the cost of old polio cases. (In 1960, patient-aid outlays to some 40,000 victims totaled approximately \$13,250,000.)

Most communities in January will stage a "kickoff" ceremony in which local dignitaries and other personalities will participate. Chief purpose of these events will be to call attention again to the magnitude of the expanded program of The National Foundation and to re-emphasize that one of every 16 infants in the U.S. is born with a significant birth defect; that fully 11 million in the nation are afflicted with some form of rheumatism including arthritis; and that the staggering costs of polio will continue in 1961.

Joan Perry of Perth Amboy, N. J., national chairman of The National Foundation's Teen Age Program (TAP), is up to her pretty chin in New March of Dimes balloons, to be sold throughout January.

Members of TAP (Teen Age Program) and other young people across the country will be active in their local areas in January in organizing colorful special events. Among these will be coffee parties, airflits, sales of March of Dimes rain-bow crutches and balloons and bowling and other sports events. They will also help address the 38 million New March of Dimes

mailers to be sent to the nation's homes.

In addition, they will assist adults in making preparations for fashion shows, auctions, telethons and other New March of Dimes benefits.

Posters and other campaign materials to be seen across the face of the land will bear the appeal, "Please Say Yes to the New March of Dimes."

Kennedy Home Is Scene Of Party

The Xi Alpha Mu Chapter, Beta Sigma Phi Sorority, held its annual Christmas party at the home of Mrs. Norman A. Kennedy Thursday evening of last week, with Mrs. Mildred Schoepel, co-hostess.

The entire group went to the Pahokee Public Library to view the Christmas decorations that were on display as entries in the Christmas decorations contest for Girl Scouts, which was sponsored by the chapter. Mrs. Lewis Friend, chairman, and other members of the chapter served as a judging team in the judging of the beautiful decorative arrangements which had been designed and made by the various Pahokee Girl Scout and Brownie Troops. A six-dollar cash prize was awarded to Troop 33, Mrs. E. C. Johnson, leader, first place winner, and six other cash prizes, totaling \$15, were presented to the three troops that were runners-up and the three receiving honorarium.

Following the contest judging members returned to the Kennedy home where gifts were exchanged among the secret sisters and refreshments were served by the hostesses.

It was announced Mrs. W. D. Howard will be hostess at the next chapter meeting at her home, Jan. 5.

JOIN THE PAYROLL SAVINGS PLAN WHERE YOU WORK

It takes only seven little words to start you on a program of automatic saving . . . "Put me on the Payroll Savings Plan!" What's more, you don't have to go far to say them. Just say them to your employer. He'll do all the work: set aside the amount you choose from your check and deliver your Bonds when you've accumulated enough for a purchase.

The Bonds you buy now pay 3½% interest to maturity—and keep earning for 10 years after maturity.

So, say the word. Sign up now to buy Bonds regularly where you work through the Payroll Savings Plan.

Pick your savings target and shoot straight for it!

A home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you *before* you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. *This means a return of up to 80% more than you originally paid.*

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{2}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{2}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{2}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

Weeki Wachee Mermaids 'Discover' Gasparilla Treasure

To help celebrate the Gasparilla Invasion during the Florida State Fair in Tampa, these two lovely Weeki Wachee Mermaids don pirate costumes and dig up the Jose Gasparilla "Treasure Chest" in the woods of Weeki Wachee. We must admit that Mermaids Vicki Sharpe and Marilyn Allen are the prettiest pirates we've seen in a long time.

Lytal Tells Why—

(continued from page 1)
most especially the local paper (later identified as the Post Times.)

"I would therefore like to make it a matter of record that I am still definitely and sincerely of the opinion that this airport, and the airport at Lantana, should be moved and plans should continue to be made to effect these moves.

"I personally do not want to be responsible for any tragedies that may happen to the citizens near these airports, nor to their property. I consider an airport nothing more or less than an industry and as an industry, in order to be valuable to its area, should be properly located in order not to cause discomfort or create safety hazards. There should also be unlimited room for expansion.

"I do believe that Palm Beach County has a tremendous future in aviation and it will play a very important part in the overall growth and development of the County. Therefore plans to relocate these airports have already been delayed too long.

"I would like to extend to the Publisher and Editor of our local paper an invitation to sit down and thoroughly discuss the planning of the relocation of the airports, because I am thoroughly convinced that it would be a very difficult task without their cooperation."

CITY EMPLOYEES FEAST

Employees of the City of Pahokee enjoyed a Christmas dinner in the dining room of new jail annex Thursday, with the City acting as host. Frank O'Connell and Leon Guthrie supervised the preparation of the dinner. Approximately 50 attended.

Rardins At Home For Yule Holiday

County Commission Chairman and Mrs. Paul Rardin spent their first Christmas in their Canal Point home after having been residents here for the past 26 years. Heretofore, Mr. and Mrs. Rardin have gone to Georgia where they spent the Holiday with relatives, a custom they had followed since they were married nearly 30 years ago.

This Christmas Mrs. Rardin's mother, Mrs. W. O. Strickland of Glenville, Ga., spent Christmas here. She was accompanied by Mrs. Rardin's aunt, Mrs. J. B. Seckinger and her daughter, Miss Kay Seckinger, Christmas afternoon Mrs. Charles Stanfield, a cousin of Mrs. Rardin and her daughter, Miss Sue Stanfield, Lake Worth, Fla., visited the Rardins. They were accompanied by Mrs. Dona Stanfield of Glenville, Ga., another aunt of Mrs. Rardin, and her daughter, Miss Beth Stanfield of Orlando.

On Tuesday Harold Strickland of Atlanta, Ga., a brother of Mrs. Rardin, arrived with his wife and daughter, Libba, for a short visit in the Rardin home. Mrs. Seckinger and daughter Kay returned to Georgia Tuesday. The Harold Stricklands returned Wednesday via Silver Springs and other interesting spots in Florida.

Hoover Dike Will Be—

(continued from page 1)
Spessard L. Holland (D. Fla.), Rep. Paul G. Rogers of Florida's Sixth Congressional District, Florida Supreme Court Justice Elwyn Thomas and Farris Bryant, making his first major appearance after taking his oath of office as Governor next month.

Presiding officer will be Henry C. Coleman, president of the Florida State Chamber of Commerce which led the fight to gain Congressional authority to name the dikes in honor of the former president.

At the request of the 86-year-old Hoover, the main program is limited to 55 minutes.

Hoover, whose plea before Congress in 1929 led to the establishment of the system of levees around the huge lake, will be introduced by Doyle E. Carlton Sr., who was governor at that time. The levees system, maintained by the Central and Southern Florida Flood Control District, was begun by the Corps of Engineers in 1930 and was completed in 1938.

Following brief remarks by Hoover, who served as president during 1929-33, executive vice president Harold Cole of the State Chamber of Commerce, a long-time personal friend of the ex-president, will present the honoree with a dedication keepsake.

Among guests on the speakers' platform, which will be on the Clewiston levee, will be Riley S. Miles, chairman of the Central and Southern Florida Flood Control District, members of the Florida Cabinet and other dignitaries.

The program will close with a recessional played by the combined high school bands of Clewiston, Pahokee and Belle Glade.

Mr. and Mrs. W. O. Pankey and son, Whit, returned Monday to their home at Baton Rouge, La., after a holiday visit here with his brother-in-law and sister, Mr. and Mrs. J. G. Thomas, Jr.

LAIR CIRCLE PROGRAM

Mrs. C. A. Major presented a program on "Preparing Our Hearts Again" at the December meeting of the Margery Lair Circle, Methodist WSCS, held at her home with Mrs. Ralph Stanley, chairman, presiding. Others assisting with the program were Mrs. John Padgett, Mrs. Arch Blakey, Mrs. Bill Brown and Mrs. J. R. York.

Salute to FLORIDA COUNTIES

Martin County, named for former Governor John W. Martin, occupies an area of 372,480 acres, and is located on the south east coast of Florida. Each year many visitors enjoy sports and fishing resort facilities. Commercial fishing is an important part of the economy, however, agriculture is the main industry. — winter vegetables are grown here extensively; string beans, tomatoes, cabbages, peppers, squash, eggplant, watermelons and cucumbers are among the leading truck crops.

In progressive Martin County, and throughout Florida, the United States Brewers Foundation works constantly to maintain the sale of beer and ale under pleasant, orderly conditions. Believing that strict law enforcement serves the best interest of the people of Florida, the Foundation stresses close cooperation with Armed Forces, law enforcement and governing officials.
